Smart Start Strategic Plan Goal(s): Review Data

- The team is focusing on children in households that are food insecure—14.8% in 2021 from 20.2% in 2019. Feeling is that during COVID more opportunities were available for food that are not available now so this number may not be accurate.
- The second data point the team wants to impact is children without health insurance at 11.7% in 2021 which is up from 9.9% in 2020 which increased from 9.2% in 2019.

LICC Strategic Plan Goals(s): Review Data

- Promote child find through activities

Activities to Achieve Strategies

- Educate families at events about health insurance, navigators consortium, food resources
- Distribute food resource list including the days of distribution at events
- Organize a drive through resource / food distribution fair twice—once in the fall and once in the Spring
- Participate and support transition events in collaboration with MPP
