

# GET READY FOR THE 3'S!

## Supporting Language and Interactions:

# USING PUPPETS

**THIS FREE ONE-HOUR CLASS IS DESIGNED TO** highlight different types of puppets and how they can be used to support language and interactions in an early childhood classroom.

### OBJECTIVES:

- The learner will list play opportunities in an early childhood setting.
- The learner will examine opportunities to label play spaces and incorporate literacy in dramatic play.
- The learner will be introduced to puppets as a tool to support language and interactions in an early childhood classroom through play.
- The learner will plan a way to incorporate early literacy into play spaces for young children.
